TAX COLLECTOR'S REPORT

I respectfully submit to the taxpayers of Epping my report for 1965.

First, I would like to thank the Selectmen for their cooperation and assistance; the auditors for their helpful recommendations; and the residents of Epping who have helped to make 1965 a pleasant year.

The warrants committed to me for collection for the 1965 tax year totalled \$264,631.08. Of this \$156,099.57 had been collected by Dec. 31st. In property taxes alone \$151,171.86 was collected in a thirty day period.

My total collections for the year was over a quarter of a million dollars (\$250,903.25).

In 1966 it is hoped that many of the delinquent taxes can be cleared up. Notices have been sent in recent months to delinquent property, yield, head and poll tax payers to make an effort to pay before legal action is taken. This process is being set in motion.

A note of interest to delinquent property tax payers: A tax deed can be given on property after three years of delinquency. After three years from date of record, this deed shall be incontestable for any defects of form or procedure in the tax assessment.

Respectfully submitted,

ADA YOUNG
Tax Collector

REPORT OF THE FIRE DEPARTMENT

I wish to thank the Firemen and Citizens for the cooperation we have had this past year in controlling fires in Epping.

This past year we have answered a total of forty-six alarms as follows:

13	Structural Fires
3	Automobiles
12	Spot Fires
5	Forest Fires
9	Mutual Aid Calls
2	False Alarms
2	Resuscitator Calls

I believe that the Citizens of Epping are getting more fire conscious than ever, as the fire situation seems to be on the declining side.

Let's not give fire a chance to start in our homes.

Again, I wish to thank everyone for his cooperation.

WALTER L. MOULTON, SR.
Chief
Epping Fire Department

LIBRARY REPORT

It is with pleasure that I submit my 1965 report to the Town of Epping.

Circulation of books and magazines	7,334
New books	277
New borrowers	

There were 7 memorial books received from the Epping Woman's Club and 3 from the Catholic Daughters of Epping. Mrs. Langdon's 4-H girls gave a book on horses to the library. Individual citizens continue giving us books from their own personal libraries to us. All gifts are gratefully received and are appreciated by the borrowers as well as the library staff.

The Encyclopedia Americana has been purchased in 1965 and a number of reference books have been purchased and added to the collection.

The Epping Garden Club has had the library landscaped. This project was completed in the fall and adds greatly to the beauty of our library building.

Double island shelving has been ordered by the Epping Friends of the Library to hold our reference collection. This, too, has been greatly appreciated by the library staff; along with all the help the Friends have given to the library during this past year.

The D. A. R. has given a large American flag and stand which is now in the children's side of the library. This flag has flown over the Capitol building in Washington, D. C.

Among the many activities in the library, has been our annual teachers tea given by the library trustees and librarian. The Epping P. T. A. held their April meeting in the library as part of our observance of National Library Week. The Epping Garden Club and the Epping Women's Friendship League and the Epping Friends of the Library have held meetings at the library, sponsored by the library trustees.

Several classes from the grammar school have been guests at the library. A display of books and short book reviews were given to the children to help them on selection of reading. Children not already registered as borrowers were taken care of at this time. Deposits of books have been loaned to a number of classes for reading. This is the only way we are able to reach the majority of bus children who have no other way to use the library.

These are just some of the activities here at the Harvey Mitchell Memorial Library this past year. I do want to mention what a good job our janitor Mr. Harry Freeman has done. This summer he refinished all the window sills in the library. He did a marvelous job on putting a protective coating on the floors and installing rubber stair treads. The high school students washed all of the windows. A job well done.

There are so many things to record and so many thank yous to say that it would be easier to say I do thank you all for any part you may have played in making this year a pleasant one for the library.

Respectfully submitted,

IRENE M. HUTCHINSON
Librarian

POLICE REPORT

I respectfully submit my Police report for the year 1965:

Listed below are some of the most important cases and complaints processed by this Department.

Accidents	over 65
Assault	8
Speeding	9
Drunk	7
Petty Larceny	4
Junkyard violation	2
Disturbing the peace	9
Vagrancy	3
Selling beer to minors	2
Minor possessing beer	4
Unnatural acts	3
Malicious damage	12
Stolen cars	4
Abandoned cars	6
Breaks	6
Non-support	3
Stolen property	5
Civil complaints	8
Missing persons	12
Nuisance calls	over 175
D. W. I	3
Leaving scene of accident	3
Driving without license	4
Not displaying lights	2
Failure to yield for fire truck	1
Driving after revocation	5
Unregistered motor vehicles	6
Driving license suspended	9
Improper turn	2
Defective equipment	3
Following too close	1
Stop sign	1

For the few people in Epping that would like to maintain a full time organized Police force I submit the following tentative figures based on a recent area survey:

Approximate initial cost for Police cruiser equipped	\$3,800.00
Office equipment	<u>1,500.00</u>
Min. cost 1st yr.	\$5,300.00
Yearly cost for two (2) Patrolmen for two 8 hour shifts per day, five days per week	\$11,000.00
Part time patrolmen to cover for the two days left not covered and possible calls on the eight hours not covered on each day	min. 4,000.00
Cost and maintenance of police cruiser	3,800.00
Insurance and fringe benefits	<u>800.00</u>
Min. yearly cost	\$19,600.00

These are all minimum costs of other towns.

In 1965 it cost the town of Epping a little over \$3,000.00 for police protection, no retirement, fringe benefits or insurance.

I hope to continue to keep costs down as much as possible but would like some sort of insurance for my men and myself.

Respectfully submitted,

EDWARD T. LAVOIE
Chief of Police

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

WE MUST ALL BE CAREFUL:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn rubbish or brush;
 - a. Always get a permit to burn from the warden.
 - b. Start your fire late in the day after 5:00 P. M.
 - c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

TOWN WARRANT

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Epping in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Epping on Tuesday, the eighth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see what sums of money the town will vote to raise and appropriate for roads, bridges and side-walks.

4. To see what sum of money the town will vote to raise and appropriate for Memorial Day expenses.

5. To see if the town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

6. To see if the town will vote to authorize the Selectmen to sell property taken by tax title or otherwise, providing such property is authorized fifteen days in advance of sale and such notice is posted in three public places.

7. To see if the town will vote to raise and appropriate the sum of \$1,016.42 and the State to contribute \$6,776.13 towards Class V Construction and for improvement to our town.

8. To see if the town will vote to raise and appropriate the sum of \$300.00 for new Fire Hose. Selectmen

9. To see if the town will vote to raise and appro-

priate the sum of \$2,000.00 for the purpose of improving and tarring the Old Hedding Road (Dump Road), starting east from Route 125. Selectmen

10. To see if the town will vote to raise and appropriate the sum of One Hundred Dollars (\$100.00) to be used in cooperation with State and Federal funds for the control of White Pine Blister within the confines of the town. Selectmen

11. To see if the town will rescind Article 15 of the 1961 Town Warrant: (to see if the town will vote to have the full list of property taxes published every (2) two years in the Annual Town Report. This to start in 1964.) Selectmen

12. To see if the town will vote to have the full list of property taxes published every (4) four years in the Annual Town Report. This to start in 1970. Selectmen

13. To see if the town will vote to raise and appropriate the sum of \$600.00 to tar and stone the Fire Station roof. Selectmen

14. To transact any other business which may legally come before this meeting.

Given under our hands and seal, this fourth day of February, in the year of our Lord nineteen hundred and sixty six.

SCHOOL DISTRICT MEETING 1965 REVIEW

Moderator, Claude A. Goodrich opened the meeting of the Epping School District at the Town Hall March 9, 1965. The polls were opened for voting and the following officers were elected:

Moderator - Claude Goodrich
School Clerk - Flora M. Goodrich
School Board Member for three years -
Elizabeth Bilodeau

On April 3, 1965 the Annual School Meeting was opened at 10:10 A. M. by the Moderator and the routine business transacted.

Following are items of particular interest that were discussed and voted on during the meeting.

AREA SCHOOL - Robert Kimball reported that the Area School Planning Committee is in the process of studying enrollment, curriculum, etc. and that they have not arrived at any conclusions as yet.

BUDGET - Because of the approximately \$20,000 increase in the teachers' salaries it was explained that this included \$8,000 increase in salaries plus an additional shop teacher and a part-time librarian and art teacher.

The school lunch program will be reinstated next year which accounts for the large increase in this item; however, the revenue received from this service will offset this figure.

The increase in Student Body activities includes the rental of a gymnasium and the salary of a junior varsity coach.

The total school budget of \$260,209.00 was accepted.

SCHOOL GYMNASIUM - An article was introduced to construct a school gymnasium at a total cost of \$150,000. Discussion followed and voting by ballot proceeded. There were 312 votes cast - 177 yes and 135 no. Needed for a

necessary two-thirds vote was 208 votes. Therefore the article was defeated.

The Moderator ruled a motion to reconsider the previous article out of order.

A standing vote of appreciation to Frank Lavoie for six years of dedicated service to the school district was heartily carried out.

To the Inhabitants of the School district in the town of Epping qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the fifth day of March, 1966, at ten o'clock in the forenoon, to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

2. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

3. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the District.

4. To see if the district will vote to authorize the Epping School Board to lease a portion of the Junior High School site to the Quintown Little League.

5. To see if the school district will vote to continue the Area School Planning Committee as created by the Epping School District at an adjourned school district meeting, held July 16, 1963.

6. To see if the school district will vote to extend the school bus route by approximately four hundred miles a year and to appropriate the sum of \$200.00 for such purposes.

7. To see if the district will vote to accept the provisions of Title I, Public Law 89-10 (Elementary and Secondary Education Act of 1965), and to appropriate such funds as may be made available to the district under said Federal Act for such particular projects as may be determined by the school board. Further, to see if the

district will authorize the school board to make application for such funds and to expend the same for such projects as it may designate.

8. To see if the school district will vote to pay transportation for all children attending the Rockingham School for Special Children, in Exeter, New Hampshire.

9. To see if the district will vote to accept any funds that may become available through the settlement of the Lydia W. Ladd Estate and to authorize the school board to spend such funds according to court stipulations.

10. To see if the district will vote to accept any funds that may become available through the settlement of the Watson Academy Trust Fund and to authorize the school board to spend such funds according to court stipulations.

11. To see if the district will vote to authorize the school board to lease the West Epping School.

12. To see if the district will vote to install a water meter at the Junior High School and appropriate the sum of \$250.00 for such installation.

13. On petition of ten legal voters (and more): We, the undersigned, petition the Epping School District to offer a Five-Year contract of service to the Company offering its buses for School use.

14. On petition of ten legal voters (and more): To have a caution light or some safety device established at the intersection of Railroad Avenue and Route 125.

15. On petition of ten legal voters (and more): To have any scholarship presented to any High School graduate, presented at the graduation by a representative of the donor of the scholarship.

Given under our hands at said Epping this 18th
day of February, 1966.

SITE DEVELOPMENT PLAN

EPPING JUNIOR HIGH AND EPPING HIGH SCHOOL

The sketch on the opposite page is approximate. Most prominent are the drives and sidewalk with Watson Academy at the lower end of the sidewalk and the Junior High at the upper end. The school board proposes to grade and tar an area indicated by 1 on the sketch. This will serve as a sidewalk for students going to the shop, basketball courts, etc. and as parking area for a portion of the junior high staff. It is further proposed that in area 2 an ornamental and useful outdoor light be installed. A 400 watt mercury lamp in a Holophane Square Luminare on a 30' aluminum pole is suggested. This height is needed to give a good light spread for the driveways, parking area, and to give silent watchman protection to the junior high. The height also lessens the chance of vandalism.

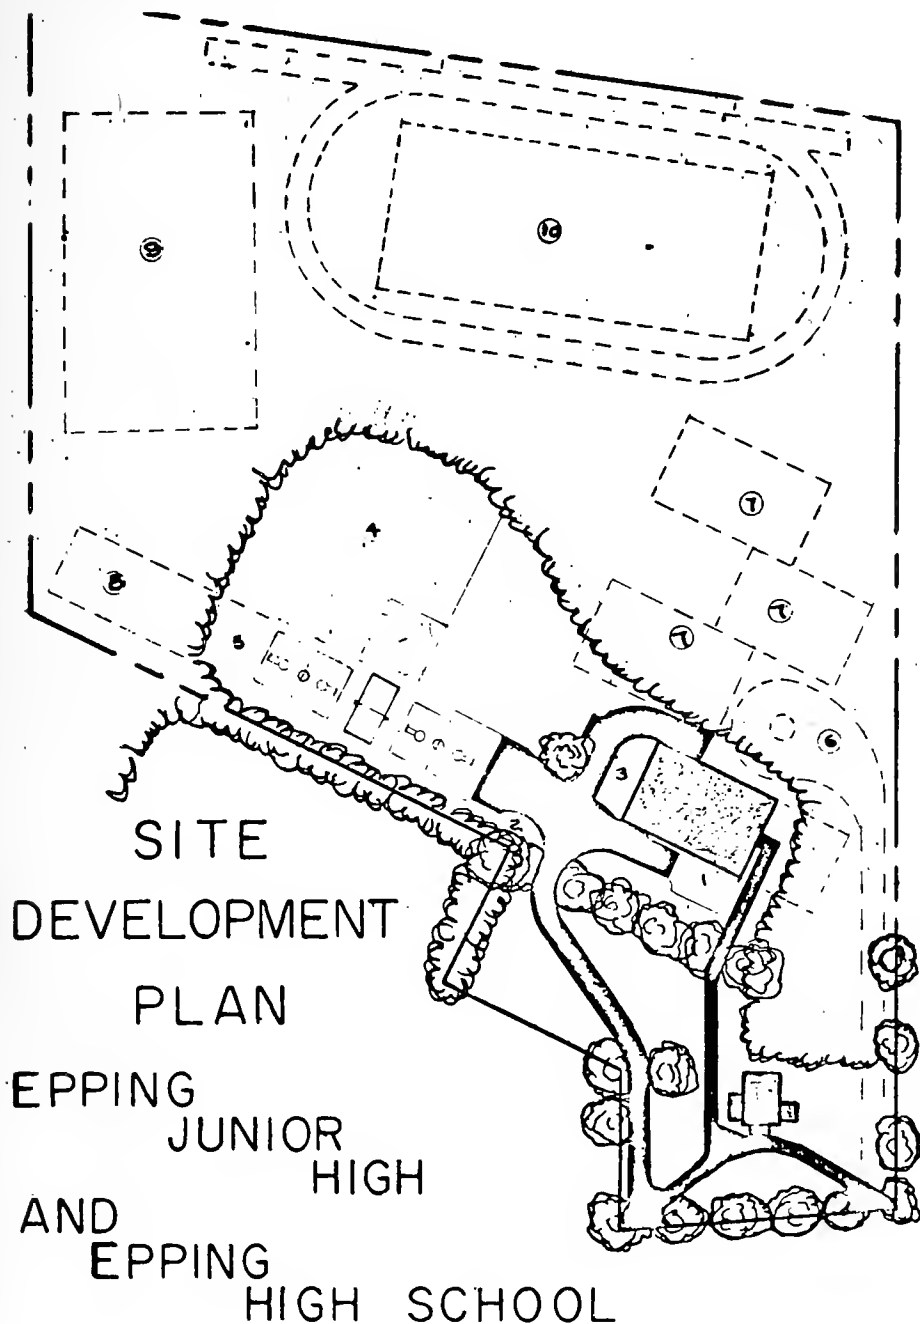

In area 3 it is proposed to plant shrubs and bushes and develop a lawn. Further, it is proposed to plant a screen (and living snow fence) south of the driveway near the service doors of the junior high, ground cover plants at the base of the light pole and bring in additional loam and further grade and seed the area between the junior high and Academy Street.

Area 4 is the parcel of land that the school board has leased to the Quintown Little League, subject to Epping School District confirmation. The lease of this area will in no way interfere with site development plans and will give the girls' softball team a field sized to the playing of softball. Quintown Little League has further agreed to allow the Epping girls' softball team use of their field on Route 125 for this season.

Area 5 is already tarred. Here it is proposed to hot top an area 250' long by 70' wide. This would be sufficient for an official volleyball court and two ideal sized basketball courts.

Areas 6-10 indicate one of the many ways that the balance of the site could be developed: Area 6 would be a new main entrance to 7 one, two, or three units added to the present junior high; area 8 an extension of the parking

area; area 9 a soccer field; and area 10 a quarter-mile track and football field. These areas are now being managed as an improved wood lot.

SUPERVISORY UNION NO. 14

August 6, 1965

Quintown Little League

Gentlemen:

The Epping School Board, to whatever extent it may under existing law, proposes to lease a portion of the Epping School District property at the junior high school to the Quintown Little League for the purpose of constructing an area suitable for use for girls' softball/little league baseball.

Construction by Quintown Little League shall consist of grading, loaming, seeding and fertilizing of an area approximately 300' x 300' and construction of dug-outs, backstop and fences. It is mutually understood that all items constructed will become the property of the Epping School District. No specific maintenance obligations are spelled out herewith except that it is generally understood that while the field is being used for girls' softball the field will be maintained by the Epping School District and when the field is being used by Quintown Little League it will be maintained by Quintown Little League.

The School Board reserves the right to cancel the lease to Quintown Little League if it should cease to be the sponsor of little league activities in Epping and assign the lease to the group sponsoring little league activities in Epping. The School Board proposes to continue the lease during such time as the field is used as a little league field but for no other purpose providing however that little league sponsored sale of refreshments and an annual sale of barbecued chicken etc. will be allowed.

The School Board reserves the right to cancel the lease to Quintown Little League if school district grounds and property should not be adequately policed and protected.

The School Board agrees to seek confirmation of this agreement by the Epping School District at the next meeting of the Epping School District.

REPORT OF THE SUPERINTENDENT OF SCHOOLS TO THE CITIZENS OF EPPING:

This past year has been an active one for education in Epping. The two-room West Epping school was closed; a new junior high school, housing a shop, home economics program, and cafeteria was completed; and the high school became comprehensive.

As one might expect, with all these major changes, many problems developed. Some have already been solved and with continued support of the hard working members of your school board, I feel certain that most of the others will soon be worked out.

These above changes have made a great improvement in Epping's educational offerings. However, they have in no way alleviated the ever-present high school problem of over-crowding. It is true that you have spent a considerable amount of money on Watson Academy, trying to correct this situation - you have raised, lowered, painted, plastered, patched, and yes, even re-patched in order to gain more space, until you have finally reached an end.

What, then, should you do now? Should you expand alone or should you expand cooperatively? It is just as simple as that. Before you make a final decision, I sincerely hope that you will allow your present cooperative planning committee to continue its study and, in turn, to present to you its final report, presumably sometime in May. It would be foolhardy to try to make a decision before then.

This report would be incomplete without a few words relative to the new National Elementary and Secondary School Education Act of 1965 (ESEA). This act was the first major legislation of national significance to be enacted by the 89th Congress. Keyed to "poverty", ESEA has five major provisions in it.

Title I provides funds to school districts for special programs designed to meet the needs of educationally deprived children in attendance areas with high

concentration of low-income families. The amount of grant is based on the number of school age children (5-17) in low-income families in the school district as reported in the 1960 census. Epping is entitled to receive as much as \$6,030.26 towards the support of an approved project providing, of course, the school district votes to authorize the school board to accept such aid. If this is done, our first project will be to provide transportation for children attending the Rockingham School for Special Children in Exeter and for a remedial reading program at Central School.

Title II authorizes distribution of \$100 million to the states for acquisition of library resources, including textbooks and audio-visual materials. This title establishes the Supervisory Union as the acting agent rather than the district as in Title I. Our Union #14 was allotted \$6,075.00 and on December 15, 1965 we submitted a proposal to spend the entire amount in order to establish an audio-visual center in the Union. If this project is ultimately approved, these materials will be purchased and made available on a loan basis, according to the regulations, to any school in our Union.

Title III provides another \$100 million for grants to local school districts for the establishment of supplementary educational centers. An extremely wide range of activities may be authorized under this title. The terms, however, require that the school authorities must cooperate with other educational and cultural interests in the community in working out projects.

Title IV provides money for regional educational research and training facilities. Grants will be awarded to institutions of higher education and the non-profit agencies to undertake programs which will benefit public schools.

Title V makes available \$25 million to strengthen State Departments of Education.

In summary then, the titles which seem to apply most directly to Epping are Titles I and II. It is these with which your school board and local school administrators will be primarily concerned.

Again this year, I am very pleased to say that Epping continued to provide an excellent educational program in spite of crowded conditions. Modern math is being taught in all grades as well as up to date courses in reading, sciences, social studies, and business education. The expanded shop and home economics offerings proved to be very popular and the reinstated hot lunch program is most satisfactory.

Once more, I commend your dedicated school board. This group has worked long and hard, making many personal sacrifices to provide you with the best education possible for your children. With this kind of assistance, a Superintendent can certainly feel that his job is worthwhile.

COOPERATIVE SCHOOL REPORT

The Cooperative School Study Boards of Candia, Epping and Raymond, after many months of study, are approaching their final report. During the past months we have found many more reasons why we should work together in a Cooperative School District than reasons to go our separate ways.

Candia, Epping and Raymond are tied together by Highway 101, the busiest East-West road in the state. They are in an area of growth and opportunity and, as the chart below indicates, have very much in common.

The school population in each town is nearly the same. The school tax per \$1,000 based on equalized valuation is very close. The net worth in present schools is also comparable. In fact, the three towns are so nearly equal in this study that the Cooperative Study Group has voted that a future Cooperative School Board would have three members from each town to form a nine member School Board. Each town would then have an equal voice in a new Cooperative School District. In method of apportionment of school costs the study group voted to base it on one-half Equalized Valuation and one-half of Average Daily Membership.

The study group has sifted and evaluated information of all kinds and types furnished by local, state, and out-of-state sources. The one large over-riding issue, in studying all this data, has been the common desire of this board, and the people they represent, to make available to the children of this region an educational system that will develop the child academically, physically, emotionally and socially. This system to be modern and efficient and still to fit within the present tax structure of New Hampshire.

The voters of Candia, Epping and Raymond will be asked at Special School Meetings late in April or May, after hearing the plans of this study group, to vote on forming a Cooperative School District. This school district to pool the resources of all three towns into a joint venture in better schools.

	School Enrollment	% of Enrollment	Equalized Valuation	School Tax Per \$1,000 Equalized Valuation	Value of Present Schools	Net Worth of Present Schools
Candia	481	30%	\$5,873,745	\$23.43	\$284,000*	\$200,425

REPORT OF THE SCHOOL NURSE

To the Superintendent of Schools, School Board Members,
and Citizens of Epping:

This past year was one with the usual amount of health problems. Most parents were cooperative in controlling the spread of infection by keeping their children home until contact danger was over.

Dental clinic provided help for more children because of increased matching funds. However, I would like to see much more money made available for this purpose. In grades 1-4 parents of eighty children signed permits, but only 25 children received care. By the time a child, who has never been to the dentist, reaches the third and fourth grades, so much work has to be done that he or she takes up many hours of dental clinic time. This cuts down on the number of children who benefit, although the amount of work done is the same.

It is good to see the hot lunch program reinstalled. I hope that parents are not using this only as a convenience for themselves. This program is valuable in that it should teach the children not only to try foods new to them, but also to eat at least a small portion of the foods they say they don't like. If these two things are not accomplished and they are throwing out most of their food, then you are wasting your money. Also, this attitude is contagious and children who might ordinarily eat certain foods will follow the leaders and adopt the same negative attitude.

The much over-worked Public Health Nurse whose base of operation is in Portsmouth was finally able to schedule a series of immunization clinics for us. The response from school age children for booster shots was very good. We plan to hold these clinics annually in the fall with the hope that mothers of pre-school children will get their 5-year olds vaccinated and made ready for the following school year.

SUMMARY OF FINDINGS AND RECOMMENDATIONS

August 30, 1965

The School Board
Epping School District
Epping, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Epping School District for the fiscal year ended June 30, 1965, which was made by this Division in accordance with your request. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1964 and June 30, 1965, are presented in Exhibit A. As indicated therein, the Net Debt increased by \$173,190.79 during the fiscal year ended June 30, 1965.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein. These were as follows:

Increase in Net Debt

Surplus Used to Reduce School		
Tax	\$ 7,892.19	
Bonds Issued During Year	<u>170,000.00</u>	\$177,892.19

Decrease in Net Debt

Net Budget Surplus	\$ 2,701.40	
Bonds Paid During Year	<u>2,000.00</u>	<u>4,701.40</u>

<u>Net Increase</u>	\$173,190.79
---------------------	--------------

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1965, are presented in Exhibits C and D. As indicated by the budget summary (Exhibit D), a revenue surplus of \$2,164.60, plus a net unexpended balance of appropriations of \$536.80, resulted in a net budget surplus of \$2,701.40.

Summary Statement of Receipts and Expenditures:
(Exhibit E-1)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1965, made up in accordance with the uniform classification of accounts, is included in Exhibit E-1. Proof of the Treasurer's balance as of June 30, 1965, is indicated in Exhibit E-2.

Statement of Building Fund Account: (Exhibit F)

A statement of the activity in the Building Fund Account during the fiscal year is presented in Exhibit F.

Statement of School Tax Account: (Exhibit H)

A statement of the School Tax Account with the Town of Epping is presented in Exhibit H. As indicated therein, as of June 30, 1965, the School District had re-

ceived from the Town the total amount of the 1964-65 School Tax of \$141, 456.78.

Student Activities Fund: (Exhibit I)

A statement of the Student Activities Fund for th fiscal year of 1964-65, is included in Exhibit I.

Statement of Bonded Debt: (Exhibit J)

A statement of the outstanding bonded indebted- ness of the School District as of June 30, 1965, showing annual debt service requirements, is contained in Exhibit J.

GENERAL COMMENTS

Current Surplus:

It is noted that the current surplus (excess of total assets over current liabilities) decreased from \$7,892.19 to \$2,701.40, during the fiscal year ended June 30, 1965, as shown herewith:

	<u>June 30, 1964</u>	<u>June 30, 1965</u>
Total Assets	\$8,231.65	\$56,196.96
Current Liabilities	<u>339.46</u>	<u>53,495.56</u>
Current Surplus	\$7,892.19	\$ 2,701.40

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that the summary of findings and recom- mendations (letter of transmittal) of this report shall be published in the next annual report of the School District. The publication of Exhibits is optional.

We extend our thanks to the officials of the Ep- ping School District for their assistance during the course of the audit.

Yours very truly,
